

IN THE MICHIGAN COURT OF APPEALS

ORDER

Re: **People of MI v Mary Ann Lamkin**
Docket No. **284904**
L.C. No. **05-015424 FH**

Christopher M. Murray, Chief Judge Pro Tem, acting under MCR 7.203(F)(1) and 7.216(A)(10), orders:

The claim of appeal is **DISMISSED** for lack of jurisdiction because neither an order denying a motion for relief from judgment, nor an order denying a motion for reconsideration of the order denying the motion for relief from judgment, is a final order under MCR 7.202(6)(b). Under MCR 7.203(A), only a final order can be appealed by right.
